

Pelican Reef HOA Community Message

Dear Residents,

Due to a recent hacking, the Pelican Reef HOA website has been declared corrupt. The website cannot be restored and therefore will no longer be available for community wide use.

For the balance of the 2018 year, we are going to be sending out an email each month with pertinent information including such items minutes of all BOD, PRARC and HOA meetings, event announcements, and updates that are pertinent to the community.

The same information may also be accessed through Pelican Reef's management company website, www.csshoamgt.com.

We regret any inconvenience this may cause. Should there be any updates to this particular issue, we will communicate that through a community-wide email.

Many thanks,

The Pelican Reef HOA Board of Directors

Mary Murphy-Uhl	President	marymu1234@gmail.com
